## SWISHER® LAUNDRY POWDERED DETERGENT PACKETS

- Delivers best-in-class cleaning against tough stains in the first wash
- Helps eliminate odor providing lasting freshness to delight your guests
- Pre-measured product allows you the convenience of simply tossing a packet into the wash

### Swisher Laundry Powdered Detergent Packets

are an enzymatic detergent in pre-measured, water-soluble packets that deliver effective stain removal against tough soils, help to eliminate malodor in the first wash and retain freshness in linens. Packets are easy to use, safe to handle and help eliminate waste.

#### DIRECTIONS:

For use in home-style machines.

1. Sort laundry in loads of similar color, fabric type and amount of soil.
2. Take the detergent packet out of the tub with dry hands and place it in the washer. Close tub after use.
3. Add one packet for small or medium loads to the empty washer. Add two packets for larger loads, heavy soils or hard water conditions.
4. Place clothes inside the washer, on top of packet(s).
5. Select appropriate wash cycle and temperature according to the garment's fabric care label.

Consult your ProGuard Service & Solutions representative for specific use directions.
