

Impeccable Clean for the Toughest Conditions

Performance-driven detergent designed to remove stains and tough soils.

LIQUID DISHMACHINE DETERGENT HEAVY DUTY

- Soil-suspending and water-conditioning additives work in all water conditions for all soil loads
- Manages diverse water conditions
- Eliminates tough food soils
- Removes stains that build up over time
- Helps reduce surface rust and equipment maintenance needs

Liquid Dishmachine Detergent Heavy Duty

Super-concentrated dishmachine detergent designed to power away food soils and cut through grease in the toughest of operating and water conditions. With only a small amount of product required per wash cycle, costs for the product are lowered.

DIRECTIONS:

Consult your Swisher representative for specific use instructions and recommended dispensing equipment.

Avoid food contamination during application and storage. Do not store in food processing areas.

Rinse surfaces thoroughly with potable water after use.
