

Clean Dose Multi-Purpose Cleaner Tablet

Tableta de limpiador para superficies múltiples Clean Dose

1 Tear open a packet and drop the tablet into an empty spray bottle.

Abra un paquete y deje caer la tableta en una botella rociadora vacía.

2 Fill up spray bottle with tap water and allow tablet to fully dissolve.

Llene la botella atomizadora con agua corriente y deje que la tableta se disuelva por completo.

3 Spray the cleaning solution and wipe surface with a clean cloth.

Rocíe la solución de limpieza sobre la superficie y pase un paño limpio.
